

The image displays a grid of 40 Tirzepatide Injection boxes, arranged in 10 rows and 4 columns. Each box is labeled "GLP-1/GIP TIRZEPATIDE INJECTION" and "30mg | 1.2mL (120units) BAC | 25mg/mL". The boxes are organized into four groups of 10, each with a different background color: blue, green, orange, and red. Each group contains 10 boxes, with the first box in each group having a different label: "Multi-Dose Vial For Subcutaneous Use", "Research Use Only", "Multi-Dose Vial For Subcutaneous Use", and "Research Use Only".
