

A grid of 40 identical boxes of Retatrutide Injection, arranged in 10 rows and 4 columns. Each box is white with a red label and a red cap. The label contains the text: "GLP-1/GIP/GCGR RETATRUTIDE INJECTION", "40mg | 2mL (200units) BAC | 20mg/mL", "Multi-Dose Vial", and "For Subcutaneous Use". The red cap has "40mg" written on it. The boxes are set against a black background.
