

The image displays a 10x4 grid of PT-141 Injection product labels. Each label is identical and contains the following elements:

- Top Section:** "INCREASED LIBIDO" in small black text, followed by "PT-141 INJECTION" in large, bold black text.
- Gauge:** A semi-circular gauge labeled "LIBIDO" with a red needle pointing to the 10 mark.
- Yellow Bar:** A horizontal yellow bar with the text "10mg | INCREASE WOMEN'S SEXUAL DESIRE" in black.
- Bottom Section:** "Multi-Dose Vial" and "For Subcutaneous Use" in black text.
- Right Side:** A vertical pink bar with the text "10mg" in white, oriented vertically.

The grid consists of four columns and ten rows, with each row containing four identical labels. The labels are set against a white background.
